

Birthplace of Texas Sport Fishing™

The Tarpon Inn is located on Cotter Street, directly across from the fisherman's wharf area on Mustang Island in Port Aransas, Texas. Formally Tarpon Texas, (Texans call it "Port A"), we've been here since 1886. The Tarpon Inn is the Birthplace of Texas Sport Fishing.

The Tarpon has recently undergone a major, but gentle, restoration.

We have 24 guest rooms, including 3 suites. Each opens onto our shady porch and they all have air conditioning, heating, and of course, a private bath.

For those guests who think they can't survive without e-mail, each room has wi-fi. (Hopefully, the Tarpon's magic will mellow them out.)

Our main lobby has complimentary coffee and walls covered with an amazing collection of autographed tarpon fish scales.

Our new pool is accompanied by a Palapa. We also offer the old-fashioned outdoor fun of Croquet and Horseshoes.

Consider having a relaxing, therapeutic massage during your stay. We'll be happy to arrange one for you.

Private charters and party boats are conveniently available nearby.

The free trolley stops in front of the Tarpon several times a day and goes directly to the beach.

Yes, we do weddings! The Tarpon Inn is the perfect place for group celebrations and special occasions such as weddings, reunions, and private parties. Be sure to ask about rates and dates.
